Additional Specific Account Details

Account is eligible for earnings credit which may be applied to reduce or eliminate fees. The earnings credit rate (ECR) is a variable rate and at the bank's discretion may be changed at any time. ECR is calculated by applying a monthly periodic rate to the monthly average positive available balance in the account each month as follows: monthly average positive available balance x ECR / days in the year x days in the month. Multiple Commercial Analysis Checking accounts may be grouped together for analysis of balances and fees. Analysis account statements show the transactions made on the account, services provided, and the corresponding fees for the statement period. A monthly analysis statement is available via Business eBanking upon request at no charge.

Treasury Management Services available upon request. Separate agreement(s) required and additional fees apply.

Refer to the Forbright Business Banking Fee Schedule for other services and standard fees.

Designed for clients that require Maryland Affordable Housing Trust (MAHT) accounts.

Minimum Opening Deposit $1.00

Monthly balance to avoid imposition of fees..... $0.00

Monthly balance obtain the annual percentage yield (APY) disclosed..... $0.00

Rate Information
Rates subject to change at our discretion at any time without notice. Please visit our website ForbrightBank.com for current interest rates.

Compounding and crediting frequency
Interest will be compounded daily. Interest will be credited to your account every month.

Balance computation method
We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

Accrual of interest on noncash deposits
Interest begins to accrue on the business day you deposit noncash items (for example, checks).

Effect of closing an account
If you close your account before interest is credited, you will receive the accrued interest.

Transaction Limits
No transaction limitations apply to this account.

Monthly Transaction Fees
No charge for check deposits, checks posted, electronic credits, electronic debits or drafts, incoming wire transfers, outgoing wire transfers, withdrawals, account transfers or monthly cash in/out.

Additional Information
No charge for check orders, cashier's checks, nonsufficient funds (NSF) fees, overdraft (OD) fees, uncollected (UC) fees, continuous overdraft (OD) fees, paper statements, or stop payments (placed online or in-branch). Monthly Account Analysis Statement available via Business eBanking upon request and is separate from your deposit statement.

Treasury Management Services available upon request. Separate agreement(s) required and additional fees apply. A separate deposit account is required to be linked to the MAHT for billing fees that are the responsibility of our client, the Title Insurer or Title Insurance Producer.

MAHT ACCOUNT ORGANIZATION - We have organized your MAHT account in a nontraditional way. Your MAHT account consists of two subaccounts. One of these is a transaction subaccount (e.g., a checking subaccount). You will transact business on this subaccount. The other is a nontraditional transaction subaccount (e.g., a savings subaccount). You cannot directly access the nontraditional transaction subaccount, but you agree that we may automatically, and without a specific request from you, initiate individual transfers of funds between subaccounts from time to time at no cost to you. This account organization will not change the amount of federal deposit insurance available to you, your available balance, the information on your periodic statements, or the interest calculation, if this is an interest-bearing account. You will not see any difference between the way your MAHT account operates and the way a traditionally organized MAHT account operates, but this organization makes us more efficient and helps to keep costs down.

Refer to the Forbright Business Banking Fee Schedule for other services and standard fees.

IOLTA Analysis Checking

Designed for Interest on Lawyer's Trust (IOLTA) and Interest on Trust (IOTA) accounts.

Minimum Opening Deposit $1.00

Monthly balance to avoid imposition of fees..... $0.00

Monthly balance obtain the annual percentage yield (APY) disclosed..... $0.00

Rate Information
Rates subject to change at our discretion at any time without notice. Please visit our website ForbrightBank.com for current interest rates.

Compounding and crediting frequency

You will not see any difference between the way your IOLTA or IOTA account operates and the way a traditionally organized IOLTA or IOTA account operates, but this organization makes us more efficient and helps to keep costs down.

Refer to the Forbright Business Banking Fee Schedule for other services and standard fees.

Bright Business Savings

Ideal for clients who prefer to keep savings separate from operating funds and earn interest.

Minimum opening deposit $250.00

Monthly balance to avoid imposition of fees..... $0.00

Monthly balance obtain the annual percentage yield (APY) disclosed..... $0.00

Rate Information
This is a tiered rate account. Rates subject to change at our discretion at any time without notice. Please visit our website ForbrightBank.com for current interest rates.

Compounding and crediting frequency
Interest is compounded daily and credited to the account monthly.

Balance computation method
Daily periodic rate is applied to the principal in the account each day of the statement cycle.

Accrual of interest on noncash deposits
Interest begins to accrue no later than the business day Forbright Bank receives credit for the deposit of noncash items (for example, checks).

Effect of closing an account
If you close your account before interest is credited, you will receive the accrued interest.

Monthly Transaction Fees

- **Credits and deposited items**.....No Charge
  (This includes paper and electronic deposits and credits to the account)

- **Withdrawals/Transfers**
  Six (6) withdrawals and transfers per monthly statement cycle .....No Charge
  Excessive Transaction Fee.....$20
  This fee will be charged for each transaction exceeding six (6) in a statement cycle. See "Transaction limitations" section below for more details.

Additional Specific Account Details
- **Incoming domestic wires**.....No Charge

Transaction limitations: You may make up to six transfers or withdrawals by means of a preauthorized, automatic, or telephonic transfer to another account of yours or to a third party or by check, debit card, or similar order to a third party during any calendar month (or statement cycle of at least four weeks). A preauthorized transfer includes any arrangement with us to pay a third party from your account at (i) a predetermined time; (ii) on a fixed schedule or (iii) upon oral or written orders including orders received through the automated clearing house (ACH). If the transfer or withdrawal is initiated in person, by mail, or at an ATM then there is no limit on the number of payments that may be made directly to you, directly to us for amounts you owe us, or transfers to other accounts you have with us. Withdrawals by phone are also unlimited if you are requesting that a check be mailed to you.

Platinum Business Money Market Account

Ideal for those that have a relationship with Forbright Bank that spans more than one account.

Minimum opening deposit $2,500.00

Monthly balance to avoid imposition of fees..... $2,500.00
(No fee for the first statement cycle.) A balance requirement service charge fee of $10 will be imposed every statement cycle if the balance in the account falls below $2,500 any day of the cycle

Monthly balance to obtain the annual percentage yield (APY) disclosed
You must maintain a minimum balance of $2,500 in the account each day to obtain the disclosed annual percentage yield.

Rate Information
Rates subject to change at our discretion at any time without notice. Please visit our website ForbrightBank.com for current interest rates.

Compounding and crediting frequency
Interest is compounded daily and credited to the account monthly.

Balance computation method

Withdrawals by phone are also unlimited if you are requesting that a check be mailed to you.

Additional Terms:

1. A minimum relationship balance* of $250,000 must be maintained with Forbright Bank to qualify for this offering. If the total relationship balance falls below $250,000, the account may be converted into a Bright Business Savings Account.
2. First order of Forbright Bank money market checks is free.

**The term "Relationship Balance" refers to total combined average balance maintained in all Forbright Bank deposit accounts.*

Certificates of Deposit

Our Certificate of Deposit (CD) Accounts give you the opportunity to save for your goals and support a brighter future.

Rate Information
Interest on your account will be paid until the maturity date of the certificate. Rates subject to change at our discretion at any time without notice. Please visit our website ForbrightBank.com for current interest rates.

Compounding frequency
Interest will be compounded daily and credited to your account every month. Interest begins to accrue on the business day you deposit noncash items (for example, checks).

Minimum balance requirements - You must deposit $1,000.00 to open this account.

Minimum balance to obtain the annual percentage yield disclosed - You must maintain a minimum balance of $1,000.00 in the account each day to obtain the disclosed annual percentage yield.

Balance computation method - We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

Transaction limitations - After the account is opened, you may not make deposits into or principal withdrawals from the account until the maturity date.

Early withdrawal penalties: A 45-day hold will be placed on your initial deposit. No early withdrawals are allowed within the first 45 calendar days of new account opening. A penalty will be imposed for withdrawals before maturity. In some cases, you may owe interest that you have not earned and this can result in a loss of principle.

- If your account has an original maturity of less than 24 months:A penalty equal to three (3) months interest will be charged to your account.
- If your account has an original maturity of 24 months or more: A penalty equal to six (6) months interest will be charged to your account.

Automatically renewable time account - This account will automatically renew at maturity. You have a grace period of ten (10) calendar days from (and inclusive of) the maturity date to withdraw the funds without being charged a penalty. This 10 day period includes the maturity date.

Additional Fees - Additional fees may apply. Please refer to the Fee Schedule for more information.
